

Mikey's New York Pizza is proud to unveil its third outlet at MidValley Megamall, a milestone celebrated with a giant slice of pizza baked specially for the occasion.

Founders **Michael Helfman** and **Andrew Belucci** were on grounds to personally introduce the new space to a handful of close friends and members of the media.

Sheena Teo, Lim Ai San and **Xandria Ooi** were among the first customers to get the chance to dine at the pizza chain's third outpost following the success of one in Bangsar and another in Publika.

This latest store also stands out with a new dessert extension, 'Mikey's Frozen Custard', at which guests can pop over for a sweet end to their meal, located just to the side of the pizzeria.
